

REMARKS

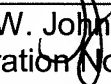

In the Office Action a restriction requirement was placed on the pending claims. Specifically, restriction was required between claims 1-7 and 10-21 (Group I), claims 1-3 and 8-15 (Group II), and claims 22-38 (Group III). In response, Applicants elect to prosecute the invention of Group I. Claims 1-7 and 10-21 read on this species and 1-3 and 10-15 are generic. Applicants also elect the species of alpha-naphtholbenzein. Claims 1-7 and 10-21 read on this species and are generic.

Upon allowance of a generic claim, Applicants respectfully request reinstatement of the rejected species which depend from or otherwise require all the limitations of an allowable generic claim. Examiner DiRamio is invited and encouraged to telephone the undersigned, however, should any issues remain after consideration of this Response.

Please charge any additional fees required by this Response to Deposit Account No. 04-1403.

Respectfully requested,

DORITY & MANNING, P.A.
